NEW CONFERENCE

The Western Athletic Conference starts its first year of life with a priceless heritage—the golden opportunity for growth, progress and prosperity in the future, both immediate and far-distant, that is virtually unlimited.

Charter members of the Western Athletic Conference are six universities from the heart of the Rocky Mountain-Southwest, the most progressive and rapidly growing area in America. The member schools are Arizona, Arizona State, Brigham Young, New Mexico, Utah and Wyoming.

Keeping in step with the growth of the area in which they are located, each of the six WAC universities has experienced explosion-rate growth, both in facilities and the number of students it educates, in the last decade and the immediate future for each seems to promise even more progress and prosperity

Because of this, the founding members have mutual interests and mutual problems and a common desire to solve these problems, particularly as they relate to intercollegiate athletics, together. Each WAC university has the desire to integrate a strong, but sensibly-balanced intercollegiate athletics program with sound educational objectives and it was with this keynote thought that the Western Athletic Conference was founded.

Another positive factor in WAC's favor is the fact that four of the six member universities are located in metropolitan areas of more than 250,000 population. The inviting, healthy climate of the Rocky Mountain-Southwest not only is ideal for outdoor athletic activity almost every day of the year but it captivates new converts each year and should, if anything, speed up the pace of the area's population and economic growth.

There will be no looking back for the Western Athletic Conference. All sights are set confidently toward the future. A major conference with a bright new—and clean—slate. That's the enviable—and not-to-be-repeated—position in which WAC finds itself as it prepares for the inaugural 1962 football season, a campaign that marks the kickoff to a new era of intercollegiate athletic excellence in this part of America.

Brigham Young University and Arizona will share the honors in the first WAC athletic event Sept. 22 when the two football teams meet on the gridiron in Tucson.

COACHING STAFF

HAL D. MITCHELL (UCLA '53)

Now is his second year as head coach at BYU, Hal Dwane Mitchell was selected for the job two years ago. At age 30 he became the youngest varsity coach in BYU history. It is hoped his former successess on the gridiron will carry over into college ball.

A native of Los Angeles, Mitchell has crammed a valuable amount of playing and coaching experience into his football career. He captained his high school, college and service teams as a player, and has reaped his share of success as a coach, too.

After graduation from high school, Mitchell joined the football forces at UCLA, playing regular tackle three years under

the late Red Sanders. Hal captained the Bruin squad in 1951 and was chosen first string tackle on the All-PCC selections.

As an all-star he participated in East-West Shrine game, the Hula Bowl, and the College All-Star game in Chicago. He was tutored under such coaches as Bud Wilkinson of Oklahoma, Bobby Dodd of Georgia Tech, Frank Broyles of Arkansas, and Jim Lee Howell of the New York Giants.

Drafted by the Giants, Mitchell spent the better part of two seasons as a regular tackle. Howell stated that Mitchell was the most conscientious and dedicated player on the team.

As a commissioned officer in the Army, Hal was assigned to Fort Lee, Virginia. He captained the post team his first year there, then served as player-coach during the second season. In 1954 he was named the most valuable player in Army football.

Coach Mitchell began his coaching career at Mira Costa High School in Southern California, where he was line coach. He was named head coach at Hart High School in Newhall, and his team at Hart had an II-I record.

Hal came to BYU in 1959 as freshman coach. In two seasons his teams ran up a 7-1 record, including an undefeated season in 1960. In his first year with the varsity in '61 his record was 2-8.

He is married to the former Patricia Ann Armstrong, also a native of Los Angeles, and they have five children; three boys and two girls.

ASSISTANT COACHES

CHRIS APOSTOL (Utah State '50)

Chris Apostol came to BYU in 1959 as an assistant coach to Tally Stevens. He was formerly head coach at Ogden High School, where his team won 11 straight victories in taking the Utah Class "A" football championship in 1958.

A native of Bingham, Utah, Chris was an allaround athlete and studentbody president at Bingham before enrolling at Utah State in 1946. He was a member of the Aggie varsity line for three years, then joined the Ogden H.S. staff in 1950. He was named head coach in 1953. His prep record was 44 wins, 13 losses, two ties.

EARL LINDLEY (Utah State '54)

Earl came to BYU last year from Idaho Falls High School in Idaho, where he served as head football coach. A native of Wellsville, Utah, he was an allstate end at South Cache H. S. before enrolling at Utah State.

He proved to be one of the Aggie football greats, winning honors as end and halfback before graduating in 1954. He received his master's degree from USU in 1957.

Lindley joined the Edmonton Eskimos in the Canadian League, playing three years as regular with that team before leaving the game because of an injury.

CLINT WHITFIELD (UCLA '59)

Another member of the staff from UCLA is Clint Whitfield who also doubles as wrestling coach at BYU.

A native of Loma Linda, California, Clint attended Los Angeles H. S. and was the first string guard at UCLA for three seasons under Red Sanders. Clint won All-PCC honors in football, represented UCLA as heavyweight wrestler, and captained the Bruin grapplers in 1958.

He is working toward a master's degree. He coached at Oxnard H.S. in California prior to his appointment to BYU.

JERRY DOMAN (Oregon State '59)

Youngest man on the staff, 24-year old Jerry Doman joined the Cougars last year. He came to Provo from Oregon State, where he was a freshman football

A native of Ontario, Oregon, he was an all-state end in high school. Enrolling at OSC, he was fullback and outside linebacker as a sophomore, moved to end his junior and senior years. He was captain of the team in 1959.

GLEN TUCKETT (Utah '53)

Joining the varsity staff this fall is Glen Tuckett, who came to BYU three years ago as baseball coach. He coached the frosh footballers last year.

A graduate of the University of Utah and veteran professional baseball player, Tuckett played with the Salt Lake Bees and teams in the Western International League.

He coached six years at West High School in Salt Lake City prior to coming to BYU. He is a native of Murray, Utah.

LaVELL EDWARDS (Utah State '52)

Newest member of the varsity staff is LaVell Edwards, who came to BYU last spring from Granite High School, Salt Lake City.

At Granite, Edwards served six years as head football coach, wrestling and golf coach.

A native of Orem, Utah, he was all-state lineman, and from 1948 to 1952 he played football at Utah State where he won all-conference honors.

Edwards is a former president of the Utah State High School Coaches Association, and is currently working on his Ph.D.

ROD KIMBALL, TRAINER

Rod Kimball has served all but one of the last 24 years as team trainer. As veteran member of the staff, he dispenses humor, wisdom and other morale-building qualities along with his physical therapy.

A native of Jordan, Utah, Rod was an outstanding athlete and student leader. He won letters in two sports at Utah State and BYU. He has traveled countless miles with the Cougars since joining the athletic staff in 1937.

OUTLOOK

While many factors seemed to be operating against the Cougars in '61, one element—time—has favored football at Cougarville since the close of the last campaign. A year ago Coach Hal Mitchell and his staff were trying to fit one of the thinnest squads in the school's history into a new offense. It was a struggle in every sense of the word, but the Cats managed to pick up a couple of wins for their efforts.

Now, a year later, and with time bringing the two forces into balance, the Cougars are much better prepared to encounter the opposition. The system, which has been modified somewhat to produce more striking power, is now a fixture, and there is more talent on hand to get it rolling at the right time in the right direction.

While the outlook is generally improved, there are still problems to be wrestled with before the Cougars are expected to become a force in the new Western Athletic Conference. There are soft spots in th Cougar line, and a better balanced attack is needed to give the offense the punch it needs to bowl over opponents.

At the end of the '61 season, Mitchell and staff launched a search for more talent. The drive seems to have produced some dividends. The number of transfers acquired exceeds by far any effort in this direction at BYU in recent years. The problem is, the quality of the new talent is still something of a question. The transfers, along with the sophomores, still have to prove themselves.

While the loss of 13 lettermen hasn't exactly emptied the ranks, the departures did take more than half of the regulars. Included among those not returning is wingback Paul Allen, who scored 38 points and led the nation in kickoff returns with over 40 yards per return last fall. Two starting tackles and two starting guards are also missing, so it will be understandable if the Cougars have some trouble forming a forward wall. The tackle slots are especially vulnerable.

If all goes well, the BYU backfield should measure up to expectations. Eldon Fortie moved the offense with deftness last year, and he will be back at tailback again this fall. Backing Fortie is a rangey sophomore back, Phil Brady, and a block-busting Hawaiian tailback, Lou Santiago. Kent Nance, the prized sophomore from California, will be playing at fullback along with last year's regular Bill Nelson. All of the blocking backs are returning, and Mitchell has moved Gene Frantz and Doran Merkley (a former tailback) to wingback to strengthen that position.

Unless overtaken by some misfortune, the Cougars can expect a better season in 1962. This isn't the kind of squad any opponent can afford to take lightly.

BY POSITION

ENDS—SOMEWHAT STRONGER: Flock of sophomore and junior prospects need experience. Juniors Lloyd Smith (a regular as sophomore) and Dick Wood are probable starters. Lettermen Jeff Livingston and Dan Taylor moved to end for added strength. Jim Kimmel, injured last year, and Glen Richardson, who missed '61 season, both good prospects.

TACKLES—WEAKER: Starters Kent Horne (265) and Scott Wartena (201) both missing. Only two lettermen to spread in this position, senior Val Weenig and junior Devon Stone. Hawaiian John Kawaa good sophomore prospect, other help must come from transfers. Without more experience, could

be trouble spot.

GUARDS—SAME OR STRONGER: More prospects to choose from in '62, although only three lettermen available. Roger DuPaix, senior, and Mike Conrad, on injured list in '61, are top candidates. Transfer Jay Vesterfelt and sophomore Bill Marriott both pressing for first-string berth, but experience missing.

CENTERS—ABOUT THE SAME: Although veteran Mike Brady is ranked among best individual centers in the league, depth missing. Back Steve Jesse, a transfer, has been moved into center slot, transfers John Wilson and Lynn Mulleneaux will both be pressing Brady. This spot could be

stronger as season progresses.

WINGBACKS—ABOUT THE SAME: No. 1 and 2 wingbacks in '61, Paul Allen and Dion Frazier, both missing. But Cougars have fortified spot by moving Gene Frantz, former end, and Doran Merkley, tailback in 1961, to this spot. If Rick Ashmore is whole he will help with depth.

BLOCKING BACKS—STRONGER: No major losses here from last year, and '61 material improved with age. Regular Gordon Blackham, along with two-year letterman Dick Darling and Marshall Hall, will have transfer support in form of Charley Bell and Jack Linder.

FULLBACKS—STRONGER: A soft spot in '61, this position has been strengthened with promising prospects led by sophomore Kent Nance. Last year's regular, Bill Nelson, is consistent performer. Five other prospects could make this one of stronger positions.

TAILBACKS—STRONGER: Eldon Fortie, acknowledged as the key to the offense, is back. Phil Brady, a rangy sophomore, now with varsity, plus pair of promising transfers. Lou Santiago and Grover Garvin. Additional help needed with passing game.

ALL-CONFERENCE CANDIDATE — Eldon Fortie, senior tailback for the Cougars, heads into 1962 campaign with fine football record. The 167-pound Salt Laker led teammates in rushing, passing, total offense last year.

OUTLOOK—Caught in de-emphasis squeeze, the 'Tips are still competitive with senior talent. Bob O'Billovich is gone, but three regular backs return. Lack of depth, thinner line will be problem.

SERIES HISTORY—Record of one-point victories for last two years, BYU won both with identical 7-6 score. Cats hold 10-5 series edge, but games have always been close.
